

We knew it would happen and this time we're ready – COVID-19 is back.

Whatever happens with the lockdown in our region, we know it will impact us for some time to come. So, here are some things we'd like you to know.

**Pukerua Bay's
COVID-19 response group**
has re-formed and has a keen team of helpers.
No one in our community needs to feel alone. If you
need help with shopping, picking up a prescription, or
just need to chat, please get in touch. You can do so by:

- using the form on pukeruabay.org.nz/coronavirus
- emailing us at hello@pkbhub.org.nz
- phoning Helen on 0211466421.

Last year, one of the best things that happened was people in neighbourhoods setting up local Facebook pages, phone trees, and other ways of communicating. It would be great to see this happen again – let us know if you need any help with this.

For local information, you can go to the Pukerua Bay community website at pukeruabay.org.nz/coronavirus

**Unite
against
COVID-19**

The best place to go for information about COVID-19 is still the national COVID-19 website:
www.covid19.govt.nz

If you have COVID-19 symptoms,
call 0800 358 5453.

Dairy:

Please make sure you wear your mask and record your visit when going into the dairy. It's our very essential service! Also, please bear in mind that due to illness, the dairy's opening hours may vary. Most days, it will be 9am till 7pm.
